3. Board of Directors' supervision of the Management Board.

The members of the Board of Directors have fully performed their responsibilities, have made many positive contributions to the management and operation work, have many comments and assessments that are realistic and objective, in accordance with the role and responsibility of the Board of Directors as well as the management responsibility of the Board of Directors, and have closely monitored the situation, promptly given instructions and appropriate countermeasures to successfully implement the Resolution of the General Meeting of Shareholders and the Resolutions of the Board of Directors.

The reporting and provision of information on the activities of the Board of Directors to the Board of Directors is also very favorable. The Board of Directors has supervised the activities of the Board of Directors through the General Director's reports at the Board of Directors' meetings and issues that were consulted in writing, or through the General Director's submission, including the following tasks:

- Directing the Board of Directors to report on the implementation results of the Resolution of the General Meeting of Shareholders in 2023, Organizing the 2024 Annual General Meeting of Shareholders of the Company on March 15, 2024.

- Financial statement in 2023.

- Production and business situation in 2023; developing a production and business plan for 2024.

- Assessing, analyzing, and forecasting the business situation on a monthly and quarterly basis to have timely instructions for the Board of Directors to effectively mobilize the Company's resources.
- Checking the compliance with the regulations of the State and competent authorities, and the Company's operating regulations.
- Decisions on strategies, approve the company's quarterly and annual business plans.
- Directing the promotion of bidding for job search to ensure employment for employees and maintain the development of production and business of the unit.
- Inspecting and supervising signed contracts at the Company.
- Issuing internal management regulations and rules to ensure compliance with the provisions of law and the Company's Charter;
- Other issues under the authority of the Board of Directors and the General Director must make detailed written submissions to seek opinions and implement them in accordance with their authority.
- Monitoring the implementation of the Board of Directors' resolutions and decisions.
- Performing tasks according to the provisions of law

4. Activities of subcommittees under the Board of Directors: No subcommittees are established. Board members perform their duties according to the assignment of tasks of the Board members, including specific assignments of each field for each member.

5. Board of Directors' resolutions.
